Multiple Awnings acquires Awnings South-West

Beloeil, March 1, 2006 – Multiple Awnings, the largest manufacturer of residential and commercial awnings in Canada, is proud to announce the acquisition of Awnings South-West, a major awning manufacturer founded in Valleyfield in 1988. With this new acquisition, Multiple Awnings will diversify its current range of products and take on a new market for its products since Awnings South-West's clients are largely in the commercial and industrial sector.

Awnings South-West has been renamed Multiple Awnings South-West and will continue to operate in its 20,000 ft² factory located in Valleyfield.
