Multiple Awnings acquires GAZEBO EVASION

Beloil, March 1, 2006 – Multiple Awnings, the largest residential and commercial awning manufacturer in Canada, is proud to announce the acquisition of Gazebo Evasion, division of Fabelta Portes et Fenêtres. Gazebo Evasion offers a range of products, including high quality 4-season PVC shelters. Multiple Awnings manufactures and assembles these new products in its 70,000 ft² factory located in Beloil.

This new line of products is now available at all three stores in Beloil, Laval and Valleyfield.

Gazebo Evasion shelters are also provided to retailers through our subsidiary, Multiple Awnings Distribution Inc.
